## CERTIFICATE No. 19/1216/00/0161

Has obtained EU TYPE EXAMINATION in compliance with what is stated in Regulation (EU) 2016/425 and in agreement with the applicable test procedures and technical specifications

Destined to indicate the user's presence in both daytime and at night in hazardous situations with low visibility protection, according to the following standard/s:

- EN ISO 13688: 2013 General requirements.
- EN ISO 20471: 2013 / A1: 2016 as a CLASS 2 garment for high low-visibility risk

Having achieved the performance requirements specified in Technical Test Report No.**2019EP0029UE** and the PPE's Technical Documentation.

Description of the PPE:

Polo made with fluorescent yellow knitted fabric, comprising front, back, neck and sleeves, with two 50 mm-wide horizontal bands of reflective material around the torso and one around the sleeve in silver grey.

The materials that form the PPE, are described in the technical report nº 2019EP0029UE.

The PPE is available with the following variants:

- The fluorescent yellow can be replaced by fluorescent orange fabric with the same composition and weight as the principal fabric.

It shall be the manufacturer's responsibility to provide specific information of this certificate and the tested levels of protection.
